

PERMINUS KARIUKI

A Visionary Leader in Real Estate and Entrepreneurship

Entrepreneurial Prowess:

Perminus Kariuki, CEO and founder of Nyota Njema Real Estate, he is a distinguished leader in the real estate industry. As the Official Spokesperson of the Association of Real Estate Stakeholders, he actively shapes industry policies and advocates for ethical standards. Perminus demonstrates entrepreneurial expertise at Nyota Njema Real Estate, offering valuable investment opportunities in land through a deep understanding of market dynamics.

Leadership and Advocacy:

With a foundation in credibility and developmental leadership, Perminus plays a pivotal role in facilitating real estate transactions, contributing significantly to community growth. In addition to his role as CEO, he serves as a Support Director Consultant, for the BNI Pearl Chapter, former President of the BNI Achievers Chapter, and a Trainer with BNI East Africa. He also chairs the Maseno University Alumni Association.

Global Impact as a Speaker:

Perminus is not confined to the local real estate landscape; he has expanded his influence globally. As a keynote speaker, he has addressed audiences in Kenya, Africa, the UK, USA, Asia and Europe, and the Middle East.

His insights into real estate trends, investment strategies, and entrepreneurial success have resonated with diverse audiences, establishing him as a reputable speaker on an international stage. He is a keynote speaker at graduations, conferences, and church forums, sharing insights on investments.

Passion for Mentorship:

Beyond his professional endeavors, Perminus is passionate about mentorship, dedicating himself to empowering young graduates to become successful business owners and fostering innovation in the business landscape.
